Ovid-Elsie Area Schools

by Dawn D Levey

ELSIE – The regular meeting of the Ovid-Elsie Area Schools was held Monday, September 18, 2023, in the Donald G Thayer Memorial Auditorium at Ovid-Elsie High School. The evening was highlighted by the sex education advisory board report and the changes needed on the board that will review specific components of the curriculum.

Officials were given an update on the happenings in the individual buildings. Ms. Felicia Gingrich, EE Knight Elementary principle, reported that the school year is off to a wonderful start, students are getting used to the new staff.

Mr. Brian Powell, OE High School, reported that the homecoming events were well received. The driving your tractor to school was a wonderful success a huge thank-you to the FFA for making it happen; the hog roast was once again a success with 800 attending, it was a great gathering of the community. The Honor Society induction ceremony was held Wednesday, September 20.

Mr. Davenport, director of technology, information services and facilities management, reported that staffing vacancies had been filled in the copy center. In addition, as Student Exchange coordinator, action had been taken to address immigration requirements to get the student visas in order for all of the exchange students a thank-you to Tracey Somers for assisting with the process. Next, the tech world is in the midst of professional development, and funding possibilities. Noting that COVID funds have dried up however, additional funds are opening up specifically for cyber security. Regarding facilities – the Clinton County Drain Commissioner has been working on drains to improve water flow. It has been a strong, successful start with facilities.

Next, Mr. Brian Powell presented information on the Sex Education Advisory Board report. The purpose is to provide accurate, age-appropriate, data driven sex education and skills, in accordance with state law and community standards, enabling students to make responsible and informed decisions. The program outlines grade-level appropriate curriculum and provides those details for parents. The advisory board re-evaluates the program. The board seeks accurate and current information regarding the content and instructional strategies that will help students make healthy decisions.

If there are changes the proper procedure is followed including at least two public hearings. Ultimately the school board makes the final decision. The current policy is in place. The make-up of the board is outlined by the State of Michigan, with at least ½ of the members shall be parents who have a child attending a school operated by the school district, and the majority of these parents cannot be employed by the school district.

Powell, noted that advisory board members need to be updated and new members appointed. The bullet points were outlined and asking the board to consider who should sit on that board. He recommended that the roles and responsibilities be posted and applications be made available for interested parties. Followed by an interview process. In addition, he recommended that there be staggered terms, term limits, and an odd number of members. Please review the criteria and digest it. The curriculum to be reviewed is the elementary curriculum.

Board members requested that a definitive proposal for membership be presented at the October 2023 regular meeting. The timeline is to have new members in place by January 2024.

Dr. Wayne Petroelje, superintendent, presented officials with preliminary student count, 1,323 students. The budget reflects 1,310, which is nineteen less than last year. The official count day is October 4, 2024.

Next, there is a board work session slated for Monday, September 25, 2023, there will be 20-25 areas to be addressed, they will be classified following the strategic plan. The areas include – 1) finance and district resources; budgeting right sizing the staff; general operation budget; 2) leadership including responsibilities, board agendas and board committees; 3) curriculum for students – special education, general end, wellness, athletics; 4) communications – review the current strategic plan – externally and internally may be a 5th category.

Petroelje met with the Drain Commissioner, Mr. Morrison who outlined the schedule of spraying and tree removal in the drain right of way. Noting that all are EPA approved. There will be necessary equipment on site. Next, item – board training opportunities virtual and in-person, some good opportunities for the board, all are sponsored by the MASB.

Officials took action to approve contracts for the following new employees. Kevin Gentner high school history; Angela Ehle, long term sub; and Jullian Perrien para pro Ovid-Elsie Alternative High School.

In addition, officials approved with regrets the resignation of John Hazel, teacher.

Officials took formal action to approve the special Monday, September 25, work session, 6:30 pm, to be held in the Information Center.

The second work session date was discussed. Petroelje stressed that it is important that all seven board members attend. The purpose is a continuation of work session one. Officials slated Monday, October 30, 2023 and took official action to codify the date of the special meeting.

Officials formally approved the overnight/extended field trip for students participating in the Global Youth Institute to Des Moines Iowa October 24-27, 2023.

School board members were notified that the Maintenance/Custodial bargaining unit will be an affiliate of and represented by the Michigan Education Association.

Monthly action was taken to approve the consent agenda that included: approval of the meeting agenda, minutes of the August 21, 2023 regular meeting, approval of the expenditures, monthly financial statements and the Lacrosse Memorandum of Understanding for the 2023-24 school year.

SafeCenter 4th Annual Telethon Event Scheduled

submitted by Hannah Gottschalk

SafeCenter Domestic and Sexual Violence Services of Clinton and Shiawassee Counties will be kicking off the month of October, National Domestic Violence Awareness Month, with their 4th Annual Telethon Event running Tuesday, October 3, Wednesday, October 4, and Thursday, October 5 from 8 am – 8 pm each day.

This annual event, a unique fundraising opportunity for SafeCenter that began during the pandemic, provides the community with three action-packed days of following along with SafeCenter's Advocacy Team on social media (www.facebook.com/thesafecenter.org) and pledging their support to help child and adult victims/survivors of domestic and sexual violence right here in our local community.

The organization hopes to raise \$15,000 in three days - \$5,000 per day – to assist with the cost of direct, essential services and supports to victims not covered by state/federal grant funding. If that goal is met, come the afternoon of Day 3 (Thursday), SafeCenter has a dunk tank planned to be at the Owosso location with fun shenanigans in store for all supporters to take part in on social media!

Those interested in donating during the Telethon Event can call the SafeCenter office at 989-723-9716 during this time and pledge support over the phone via credit card. Individuals can also call to set up a time to stop in the office to pledge support in-person at the St. Johns or Owosso Office, or may do so online: www.thesafecenter.org/donate.

“The Milk Jug Fix...”

“He has fixed...a day
(Acts 17:31).”

Faith Focus

by Phil Hoppersberger
Graham Community Church

“A movie is something that gives the illusion of stopping time,” says Bob Dylan. “It’s all happening in your brain and it seems like nothing else is going on in the world. Time has stopped. The world could be coming to an end outside, but for you time has stopped.” Eventually, however, the screen credits will roll. The fix is definitely in. It all ends.

Two famous people “expired” recently and it stopped me cold. (Insert your own loss-shock here because the point isn’t their fame, but that time stopped for them on a specific day.) This was no movie. They died. We prefer not to think about our own day, but if you don’t consider “the certainty of death,” as Gimli the Dwarf says in The Lord of the Rings film, I submit that you’re living in a movie theater — a dark illusion.

King David wondered about his last day too. In Psalm 42 he wrote, “When shall I come and appear before God?” This got me thinking... what is my day “to appear?” Is it a Monday? Spring? What if it ruins Christmas Day for my family? Or is it close, like a Twilight Zone episode that matches the date on the gallon of milk in my refrigerator?

In the Book of Acts, chapter 17, the Apostle Paul says that God has fixed a day when “for you time has stopped.” Paul went to Athens to their famous Aeropagus Theater and challenged the great Greek thinkers about “Jesus and the resurrection.” The “very religious,” Paul calls them, and he “reasoned with them every day.” Here’s the gist:

- God knows everyone’s mystery date, having “determined their appointed times.”
- Our milk jug certainty means we’re in a fix, so we “should seek God.” Why?
- Because He’s “not far from each of us,” and can help erase our expiration date. How?
- Jesus is alive, so God is “now declaring to men that all everywhere should repent.”

God has commanded your repentance (to change your mind) about the back-from-the-dead Jesus and to submit to Him as your King. We bristle at being told what to do, but He has that right since He fixed our death problem (Romans 6:23). Our recoil confirms our rebellion, but He’s not being ruthless. It’s a declaration of love, to help, to stop our screen credits from rolling. We’re so twisted by sin we see it as Him bossing us around.

“He has fixed a day in which He will judge the world in righteousness through a Man whom He has appointed, having furnished proof to all men by raising Him from the dead (Acts 17:31).” His judgment is not based on your good works (Ephesians 2:8-9). It’s based on our sin and our response to what Jesus did for us on the cross (Titus 3:3-7).

Paul’s blast of light into Athens’ darkness had two results — “some sneered” and “some believed.” That’s your choice too. Gimli’s full quote is an appeal to his friends to be brave, to change their minds (repent), and follow him into battle, “Certainty of death. Small chance of success. What are we waiting for?” You don’t have to follow God’s command. Love is a choice, but I’d ask Gimli’s question another way, “Got milk?”

A Little Common Sense

by Crystal Mitchell

Another milestone will be reached today and believe me I'm excited to see this one past. I finally get to remove the darned heart monitor. No more sleeping with a gadget that gets disconnected while I'm sleeping. No more alarms going off because the batteries don't hold their charge very well. This also means that I will be removing their adhesive for the last time, it has become a touchy subject. I'm tired of the inconvenience and awkwardness of wearing it. It adds another flat dimension to my existence.

Onwards and upwards, I still have two five gallon buckets of tomatoes to be canned. Last night I took care of the half bushel that have sealed and will be shelf ready by this evening. Yes, they are still a tad bit warm this morning. They are also a deep red with shreds of translucence from the onions that I put in them. The tiny pieces of garlic seem to stay solid in their identity. I did have a late snack last night which was enjoying the last cup of the stewed tomatoes that didn't have a home in a jar.

The lawn needs to be mowed again and I have more tomatoes to be picked. I very thankful that my granddaughter Noah uses some of her not so spare time to pick them for me. Maybe next year I won't plant so many and then maybe cows will fly. I just seem to always plant about thirty plants. This year my peppers haven't done well but the sweet potatoes have gone awandering, I never had vines that kept reaching out for new territory like these have. It will be interesting to see if they traveled so much that they forgot to produce. On the other hand the butternut squash have also been very assertive in their take of the garden. The squash have also produced copious amounts of squash.

Yesterday I was given a flyer for the Octoberfest event in Elsie for the Food Bank. I had a wonderful conversation with the gal doing the distributing of them. Quite a few folks have been commenting on the décor changes that are happening at MG's Perx & Pastries. Tis' the season to be trick or treating and Diane is making some spooktacular changes. I believe that we will be in costume again this year as families are enjoying the tricks and treats.

Have you been online to check out the items that are being auctioned off to support the food bank? Check out the flyers for more information. One is in our front window, the bidding started on September 7th and will be finished on October 7th. There are some pretty interesting and bountiful offerings. It helps that the cause is a good one.

This afternoon Karen, Robin and I will be starting a class that was put together to strengthen us and to help our balance. I believe that the mantra will be "your not forty-nine anymore quit multi-tasking and lift up your feet". I could be wrong but... I'm looking forward to the class and believe that it will be helpful. It would probably be very helpful if I was still walking a couple of miles daily. Haven't got that far yet.

Diane and Brent zipped over last night to move a couple of fifty pound bags of flour for me. The bags were on the front seat of the Silverado and needed to be moved into the kitchen. The Silverado won't fit through the door so the kids came to facilitate the event for me. Yes, I still can move the load, just not as easily as in the past. So I use my resources.

Time to get ready for work, so appreciate your resources and family, be thankful when you are offered assistance. God bless you.

Goldenrod Bumper Crop

If you have been driving around a lot during the last few weeks you probably couldn't help but notice all of the bright yellow flowered weeds. Very similar looking to ragweed, these plants dotting the landscape named Goldenrod are actually herbs. The vibrant color of the flowers and increased height of the stalks this year can be attributed to the six inches of rain in July and another six inches in August.

For those wanting to take advantage of this year's bounty, strip the leaves and flower heads for making tea. Many benefits claimed for men and women include improving health of liver, prostate, kidneys, blood circulation, along with lowering blood pressure and cholesterol. Women breastfeeding should not be using Goldenrod. The other benefit of this plant is for bees. The nectar provides very late season food for bees just prior to winter and the honey produced may be a little on the dark and bitter side but great to combat fall season allergies.

If you currently have special health conditions make sure to talk with your healthcare provider and then get out and forage some Goldenrod before it is too late.

OVID-ELSIE — With a key victory, the Ovid-Elsie boys tennis team repeated as back-to-back Mid-Michigan Athletic Conference championships.

Coach Mike Ritenburg's Marauders defeated Chesaning, 6-2, Tuesday after tying the Indians 4-4 the previous week.

The Marauders were led by their No. 1 doubles team of Dom Kline and Talan Parsons, with just two losses thus far in 2023.

Mason Ritenburg returned at No. 1 singles. O-E sophomore Jeff Erickson held down No. 2 singles with sophomore Gavin Chadwick and freshman Kohl Brown at No. 3 and No. 4 singles, respectively.

One big strength for the Marauders is holding down solid players at all eight match positions, with Jackson Custer and Gunner McCreery at No. 2 doubles, Tate Kline and Austin Manchester at No. 3 doubles and Easton Clark and Byron Odenbaugh at No. 4 doubles.

"We only have 3 matches left in the season and then Regionals are in Portland on October 12," said coach Ritenburg. "It's great to be conference champs once again."

Besides downing Chesaning, the Marauders traveled to Ionia for a tri-meet on September 13 opposite Ionia and Charlotte. Ovid-Elsie won vs. Charlotte 8-0, but lost vs. Ionia 3-5 in the non-league tussle.

O-E beat Durand at home, 8-0, the following day to secure the MMAC championship.

Gift of **SIGHT**

The Gift of Sight

For the past several years, on her birthday, Dr. Marsha Brandon prefers to give the gift of sight, instead of receiving gifts, by providing FREE eye exams and glasses for those in need. We call it Emergency Day!

Emergency Day is to benefit those in extreme need of an eye examination and glasses. In past years, Laingsburg Eye Care has donated many free eye examinations and basic glasses to patients who fit the Emergency Day criteria. The criteria ensures that Dr. Brandon can serve those who need help the most. The likely candidates have poor uncorrected vision, no vision insurance, have not had an eye exam or new glasses in the past 5 years and cannot afford them.

This year Dr. Brandon is hoping to be able to give the gift of sight to at least 10 patients. Laingsburg Eye Care would like to thank Cherry Optical and our frame representatives who help to make this day possible.

To schedule an appointment for our 14th annual event held on Wednesday September 27, 2023 please call 517-651-6608.

Bears Down Peck 52-8

by Ashleigh Shaw

The Bears came out and scored once again on the opening drive for the third week in a row. They played mistake free football. Quarterback Robert Kral didn't miss a pass to the receivers and the receivers caught everything. R. Kral went 13 for 13 throwing for 207 yards, 4 touchdowns and two 2-point conversions. Will Long caught 5 passes for 92 yards and a touchdown, Jon Snider had 4 catches for 77 yards with a touchdown and a 2-point conversion. Seth Star had 5 catches with 2 touchdowns and a 2-point conversion.

"We played our most complete game to date. We unfortunately lost Jon Snider to a broken ankle late in the game, but he saw the holes so well today. We still have room to improve as we had 4 or 5 penalties that in a close game can come back and bite us" exclaimed Coach Kevin Saylor.

Defense for the Bears played great only allowing a touchdown on a short field because special teams didn't do their full job. Gavin Malek had 13 tackles, Snider had 9 and Long had 6. Ashley are now 4-1 on the season and will face a tough North Huron team who made the playoffs last year this week.

Gridiron Gurus PICK 'EM Contest

Pizza winner David Keener 10-2 (tiebreak)

Sandwich winner Ben Hudson 10-2 (tiebreak)

Breadsticks winner Bryan Reed 9-3 (tiebreak)

Anyone who knows the Wolfman knows how much he loves the personal touch.

Wolfie adores handmade gifts at Christmas. The Lycanthrope cherishes your personal notes sent to him.

He had several in Week 3, including "This slate is tough" and "I used your picks to make out my weekly picks."

On count one, yours truly relishes in the tough-as-nails schedule. On count two, mebbe you should consult a tarot card reader. Psychics are legal in Owosso now, or so I've heard.

Our Week 3 pizza winner was Dave Keener, who fashioned a stellar 10-2 record then came closest on the wild Colorado vs. Colorado State tiebreaker, which totaled 78 points in remarkable overtime play. PrimeTime is alive and well with the CU Buffaloes.

Ben Hudson was also 10-2 for the week, nosed out in the tiebreak and earning a free sandwich from one of our fine sponsors.

Bryan Reed bested several other prognosticators at 9-3 with his 76-point guess in the tiebreaker.

We will be running the contest every week until the end of the regular college football season (no bowls), and including six picks in the NFL week.

It's simple, fast, easy to play and FREE. For those who play every week, there will be a winner's prize fund to be disbursed at the end of the season for whoever ends up picking the highest total of winners.

First place - \$100; second place - \$60 and third place - \$40. Just pick your winners and make a check mark to the right of their name on the entry blank below. Just pick who you think will win the game outright. Weekly, we will be granting a free pizza (1st place), sub sandwich (2nd) and breadsticks (3rd).

MOST IMPORTANT: make sure your entry gets to The Weekly before each Thursday at Noon.

Don't forget to fill in the tiebreaker as this will decide any and all ties. Entries are accepted in person at The Weekly's offices at 200 S. Main in Ovid, by e-mail at "news@meridianweekly.com" or "tomturek20032003@yahoo.com," or via USPS delivery.

For those of you that get your Weekly fix on line at the paper's website -- remember to email your picks to news@meridianweekly.com.

What follows are this week's winning picks from The Wolfman himself: Oregon State, USC, LSU, Notre Dame, Florida, Tennessee, Packers, Ravens, Titans, Chiefs, Broncos and Raiders.

Opportunistic Chesaning Hands Wolfpack 2nd-Straight Loss, 21-3

LAINGSBURG — Chesaning back Brayden Florian rushed 36 times for 179 yards and two touchdowns as the visiting Indians manhandled the LHS varsity football team here, 21-3.

The Tribe defense was just as stout as the running game, with Chesaning winning for the third time in four games. The non-conference tilt dropped coach Brian Borgman's Wolfpack to 2-2 with their second-straight loss.

After being jilted out the MHSAA playoffs last season despite winning the ultra-tough CMAC and finishing 6-3 overall, the Wolfpack's pre-season strategy was to schedule higher division-rated opponents. With that comes size, and arguably more talented players (don't argue that point with CMAC teams like Fowler, however).

Trailing 6-0 after turning the ball over at their own 10 yard line, the Wolfpack shocked CHS with speed — the best advantage they have over most teams. Jack Borgman returned the ensuing kickoff to the Indian 14 and after being held out of the end zone, got within 6-3 on Jack a Jack Audretsch field goal from 27 yards.

The 'Pack almost got to the halftime break trailing still by just 3 points. But a tipped pass on an Indian 4th-and-11 play found the hands of Brady Sager, who ran into the end zone untouched. With just :03 seconds left before intermission, Florian booted the extra point for a 13-3 Chesaning lead.

Those two big first-half plays — the LHS failure to get off a punt and a tipped pass for a TD — proved to be the turning points of the contest.

LHS got close to scoring in the final quarter. Yet the Tribe defense came up big with stops on senior RB Borgman and a stop on Wolfpack freshman Carter Wade, short of a first down at the Chesaning 7 yard line.

"It seemed like every time we had a long play, it was penalized," said coach Borgman. "We haven't figured out how to not hurt ourselves. The lack of offensive production big. We held them to 21 points and their last touchdown was against our (defensive) reserves."

Florian scored the final points of the contest on an 8-yard blast with :30 seconds left to play.

Yes, the Tribe defense was stout: Lucas Matthews led the Pack with just 29 yards on 9 carries. Jack Borgman managed 15 yards on seven touts. Brock Johnston latched on to two of QB Matthews' aerials for 64 yards.

Laingsburg looked to rebound last Friday night, hosting CMAC rival Saranac for 2023 Homecoming festivities.

Leaders for O-E were Ashton Ehle 16 kills, 5 digs; Kyden Ehle 6 aces, 26 assists, 3 blocks; Braeden Tokar 1 ace, 8 kills, 2 blocks; Hailee Campbell 7 kills, 3 blocks; Tava Kvalevog 2 aces, 5 kills, 1 block; and Ellyanna Carman 1 ace, 4 kills, 7 blocks.

Montrose Takes Advantage of Miscues, Ruins Ovid-Elsie Football Homecoming, 29-22

OVID-ELSIE — On Homecoming Night 2023, before a big crowd at Mark O'Donnell Field, the football Marauders shot themselves in the foot.

"We came out flat, we had turnovers, we had penalties, and that just cost us. The first half cost us," O-E coach Travis Long explained after a 29-22 MMAC loss to Montrose, in a contest the Marauders could have won.

The Rams are tough. Again. They moved to 4-0 overall, 3-0 in the league with a hard-fought win after O-E (2-2, 2-1) roared back in the second half.

Montrose was led by senior quarterback Zack O'Neal, who connected twice with fellow senior and wide receiver Brandon Horton for touchdowns.

The Rams got on the scoreboard first, after sophomore MJ Daily blocked an O-E punt on the Marauders' first drive to set them up with a short field. A keeper by O'Neal and 2-point conversion run by Daily gave the Rams an 8-0 lead.

O-E's only score of the first half in the came on the next drive, keyed by the running of junior Clayton Fruchey and senior Carter Kelley. Kelley punched the ball in from the 5 to put the Marauders on the board, and QB Tryce Tokar found senior Hunter Bates in the left corner of the end zone to tie the game.

Montrose answered immediately, on a 55-yard run by O'Neal from scrimmage, set up by a short kickoff.

MHS would later drive 75 yards, culminating in a touchdown strike in the back of the end zone by O'Neal to Horton.

O-E's next drive ended on a fumble deep in their own territory, and the Rams made them pay with another touchdown hookup between O'Neal and Horton.

The second half saw momentum shift in O-E's favor. The Marauders' first drive covered 63 yards, with big gainers by Tokar, including a 20-yard keeper to draw within 29-14. O-E then stuffed the Rams' next drive, ending with a sack by sophomore Brock Spitzley.

Then, after trading possessions, O-E mounted a successful 65-yard drive ending with a touchdown pass to senior Jamison Custer after a wild scramble by Tokar. With a 2-point quarterback sneak by Tokar, the Marauders closed the score to 29-22

with 4:34 left in the game. But it was all the Marauders could muster in the end.

Ovid-Elsie actually out-gained the Rams in defeat, 308 yards to 230. Tokar was the Marauders' leading rusher, finishing with 126 yards and a score on 15 carries. He also threw for 55 yards and the one TD. Carter Kelley finished with 68 yards rushing on nine carries.

Carter Kelley hits paydirt for the Marauders.

Lady Wolfpack Golfers are Led by Hawes, Pohlod in 2023

LAINGSBURG — Ashlee Hawes and Erin Pohlod have led the Wolfpack girls golf team as the most consistent scorers early in the 2023 season.

Thus far, coach Greg Beavers' Wolfpack has struggled in the Central Michigan Athletic League (CMAL) team standings, currently ranking sixth in dual-meet points.

Other key players for LHS are junior Hailee Rueckert, sophomore Lillian Platte and junior Tessa Boyle.

The CMAL is a new league this season, with the disbanding of the now-defunct Greater Lansing Athletic Conference.

Laingsburg is looking forward to the Division 4 Regionals, after an 11th place finish in the MHSAA post-season last year.
